## History of Senior Class

On a bright September morn in 1946, seventy-five new students timidly took their seats under the balcony for an assembly. Only a few months before they had proudly, almost with arrogance, paraded across some stage to receive their grade school diploma. Gone now was their pride, displaced by dependence, uneasiness, and even shyness.

As that year, 1946-1947, progressed we tasted of high school life, even entered into it. The sports, music, dramatics and other activities were now part of us, and we a part of those activities. Quietly we moved through the halls, drawing little attention, and inwardly envying the upper classmen. And then the year was done.

The fall of 1947 brought back sixty-seven of us, including some new ones, but we were very much elated over the fact that we were no longer "Freshies." We soon felt, however, that we weren't really bigshots. We still had to climb higher. But the school life and activities became more dependent upon our class and the year passed all too swiftly.

And at last we were juniors. Just to prove it, we flashed our new class rings in everybody's face, and went our way. It was really a big year with the magazine sales, the junior play, and some of our boys becoming star athletes, to say nothing of the budding young musicians. It was a grand year with a grand ending, for we are all quite sure that the prom we gave the senior class was the grandest prom ever given.

Strangely enough in the fall of 1949 nobody felt any different. The activities came and went with mounting rapidity. Football, basketball, and track, music festival and music contests, speech contests, plays, the carnival, and variety show, the "Buffalo," dances, parties, even examinations whizzed by and then we realized that it was almost all over. The prom, given for us, the last school dance, our trip, baccalaureate, and commencement. Somehow we had no arrogance that night, and we weren't quite sure what was happening. But with pride and tears each one passed by to receive his diploma, and paused a moment, when it was all over, to thank Almighty God, for four glorious years.

## CALENDAR

### SEPTEMBER

1-2

**THURSDAY**—Oh! Hum! Another year and some more freshmen to break in. School lasted a half-day because of the Fair across the way. Some kids didn't even have to come to school. These lucky farmers!

**FRIDAY**—Everyone back for another half-day. The office certainly has been packed with all these students changing their schedules. Poor Mary!

6-9

**TUESDAY**—The first full-hour classes today and everyone was pretty restless. Everyone is waiting for a vacation. Some of the freshmen are still asking where their classrooms are. Imagine!

**WEDNESDAY**—Little birds are whispering about who are going to try out for cheerleaders. Why the hush-hush? Some people don't believe in it though, do they, R. T. and D. R.?

**THURSDAY**—Since the opening of the roller rink, some of our G-town lasses have become rather chummy with the (pardon the expression) Westville boys. What's the matter with Georgetown?

**FRIDAY**—Try-outs for cheerleaders today, with the winners, Bernice Kocanda, Marianne Smith, and Rosemary Devore. Congratulations kids!

12-16

**MONDAY**—First full week of school. Humrichous is at it again, assigning themes, period. Deadline set for changing schedules. F.H.A. meeting at noon.

**TUESDAY**—Class officers were elected after quite a campaign in the senior class. Almost everyone satisfied though.

**WEDNESDAY**—Two boys in the senior class seem to have disobeyed some hazing rules. Consequently, bye, bye, boys, for awhile.

**THURSDAY**—G.A.A. election of officers at noon. Question of the day: Do you think our senior president is setting a very good example? Answer!

**FRIDAY**—Miss Henderson showed some slides of the trip she took this summer. They were very pretty as well as interesting. First pep meeting was held for the game tonight with Paris. Good Luck, Team.

19-23

**MONDAY**—Our charging Buffaloes trampled Paris, 18-0. Yea, team! Beulah Demott taken to the hospital as a polio suspect. We hope she gets well soon.

**TUESDAY**—Well, the senior class is at it again, having meetings in time of school, being late for class, and selling class pins. We'll have an annual or bust. (Whoops)

**WEDNESDAY**—We just have a half-day of school

We play Urbana tonight for our first home game.

26-30

## OCTOBER

3-7

**MONDAY**—We had quite a surprise victory over Charleston, 21-7. F.H.A. initiation helps brighten up the rainy day; they have their party tonight.

**TUESDAY**—still cloudy, but no rain. Von Del Wooden gave the sixth hour Office Practice class a polio scare, but she is alright now. Nerves, huh, Von Del?

**THURSDAY**—Nothing much brewing today. Mary Lou W. seems to be having a difficult time deciding whether or not she will go with Roy B.

at the dance. Lee came as 1950 and Sara was a Scotch lassie.

**TUESDAY**—Another new rule dug up from the records. *Notice*: No one allowed anywhere in the building without a pass. I wonder if the senior carnival had anything to do with this.

**WEDNESDAY and THURSDAY**—Remember these two days as typically quiet and peaceful days at G.H.S. Hmm!

**FRIDAY**—Today is the night of the senior carnival. The seniors are still decorating and getting ready for it. Let's hope we get done and everyone comes bringing in a lot of money.

**THURSDAY**—The last day of school this week because of Armistice Day tomorrow. We are having our Snake Dance tonight for the game with Westville. We had a pep meeting at 3:20 today. Good luck in the game with Westville, Fellows!!

**THURSDAY**—Frank Tucker can't seem to make up his mind whether he wants to stay on the Basketball Squad or not. Tsk! Tsk!

## CALENDAR (Continued)

21-23

**MONDAY**—The juniors gave Miss Rees a dozen red roses Friday night and a gift to Mr. Stoltz. The play was a success although you can't beat last year's. Can you tell that the writers of the calendar are seniors? Well, we have to get praise from someone.

**TUESDAY**—The Home Ec. department certainly is working hard for the football banquet tonight. Turkey with all the stuffings.

**WEDNESDAY**—A few Home Ec. girls absent in A.M. Guess they couldn't take last night and all the dish washing. Afternoon periods cut for Thanksgiving program. School dismissed at 2:30 for Thanksgiving. Don't eat too much!!

**THURSDAY**—F.F.A. Magician show tonight by Ralph Pierce. Matinee this afternoon. Twenty-one shopping days till Christmas.

5-9

**MONDAY**—Beat Newman 32-27! Some game, boys, keep it up!! Cayuga beat us 37-33. As David Guiliani says, two wins and two losses for Cayuga.

**TUESDAY**—The underclassmen must work awfully hard in classes, because they were too tired to yell at the pep meeting today. We play our old rivals again, Westville.

**WEDNESDAY**—Buffaloes lost to Tigers in an ex-

citing game of 41-38. Over-heard from the sidelines of Westville when the cheerleaders finished a yell, "Oh, they've got stripes on their tights. Very becoming in purple and white, or have you noticed?" Teachers meeting at 3:00, also report cards.

**THURSDAY**—Look at the teachers' faces. I wonder what happened at teachers' meeting last night. Couldn't be buses to basketball games, could it?

**FRIDAY**—Basketball game with East Lynn tonight. Come on, boys, lets do your stuff.

12-16

**MONDAY**—Won a thriller with East Lynn, 44 to 42 Friday night. The cheerleaders and fans are really backing the team.

**TUESDAY**—Dean, making love to Bernice on the dance floor. "What would you say if I told you that I would travel one thousand miles through snow and ice with my dog team just to see you?" Bernice: "I'd say that was a lot of mush."

### A JOKE A DAY KEEPS THE BLUE AWAY

It seems as if Johnnie Thompson is always ahead of Mrs. Humrichous. When asked in English class to give some examples of an indefinite pronoun, he sleepily replied, "They're all indefinite to me."

A bit of humor to Mrs. Craig from her World History class:

Are you Hungary?

Yes, Siam

Den, Russia to the table and I'll Fig. 1.

All right, Sweden my coffee and Denmark the bill.

*Kay Whitmore*—"Two things I can cook best are apple dumplings and meat loaf."

*Jack Chantos*—"Which one is this?"

*Dick Jeffers*—"Did you flunk that course again?"

*Paul Botkins*—"What do you expect? They gave me the same exam."

*Dentist to Lee McEvoy*—"You needn't open your mouth any wider. When I pull teeth I stand on the outside."

19-23

The first four days of this week everybody concentrated fairly well on lessons, but Friday all the classes has parties. Dominic Bildilli has some mistletoe and they almost got Mrs. Humrichous, second period. We come back to school the 3rd of January, so have a nice vacation, kids.

## CALENDAR (Continued)

### JANUARY

3-13

The weeks seem to be so long anymore. Most of the kids are making resolutions to get their lessons everyday. Exams are the dark clouds over our heads now. David Guiliani has now been going steady with Janet Sheets three months. That's quite a record for him.

16-20

MONDAY—(Yawnnnn!) I'll be glad when I'm sixty-five and can retire.

TUESDAY—Basketball with Sidell tonight. (10:30 same night) We won 56-47. Just thought I'd let you know.

WEDNESDAY—Today is the last day to cram before the exams tomorrow and Friday. Study hard.

THURSDAY—EXAMS "Nough said!"

FRIDAY—Played basketball at Catlin tonight and won 47-32. Goody, goody.

23-27

MONDAY—We have a newcomer to G.H.S., Jeannene Lamar, a sophomore formerly from Oakwood. Hope you like us, Jeannene, and welcome. School was dismissed at 3 o'clock because the southern preliminaries begin tonight in our gym. Scores of tonight: I. Fairmount 35, Ridgefarm 32; II. Oakwood 56, Allerton 27; III. Catlin 45, Sidell 44.

TUESDAY—Quite a few sleepy-eyed faces this morning. The seniors did pretty good on their stand. School going to be let out at 3:00 for the rest of the tournament. Hurrah; IV. Westville 45, Georgetown 36. (Oh! NO!) V. Indianola 59, Fairmount 43.

WEDNESDAY—Poor Lee McEvoy certainly gets excited when he thinks we're running out of popcorn. Just take it easy. VI. Oakwood 51, Catlin 25. VII. Westville 32, Indianola 30. It was overtime and very close all the way through. During the Oakwood game, it rained so hard that it leaked through on the Oakwood side. Oakwood was all-wet.

23-27

THURSDAY—The school seems *almost* back to order after the tournament.

FRIDAY—Mr. Kirby had asked "Punk" Thompson

## CALENDAR (Continued)

a question that he didn't know. "But," reported Punk, "I know somethin you don't; it takes a big hog to weigh a ton." Have a nice week end, kids!

### JANUARY 30—FEBRUARY 3

MONDAY—Sometimes I just hate Mondays, don't you? School board meeting this evening.

TUESDAY—We played Potomac in basketball here tonight. We won 54-52. What a surprise, huh? The P.E. boys did their stuff and looked okay.

WEDNESDAY — Teachers' meeting tonight, so school was dismissed at 3. Goody.

THURSDAY—Everyone is still breathing okay.

FRIDAY—(I wonder how many people fry on Friday.) We were the victors over Ridgefarm tonight, 49-32.

6-11

MONDAY—Hello, again.

TUESDAY—We play Urbana tonight, there. Let's get behind the team and shove, what say?

WEDNESDAY—For all our pushing, we lost, 48-39.

THURSDAY—Let's forget Thursday and make the week shorter.

FRIDAY—We played basketball at Oakwood and lost 34-41.

SATURDAY—We played host to Brocton and won 105-26. That's right, you don't need glasses. We tied the county record, John Thompson beating the record for the greatest number of points ever made on this floor.

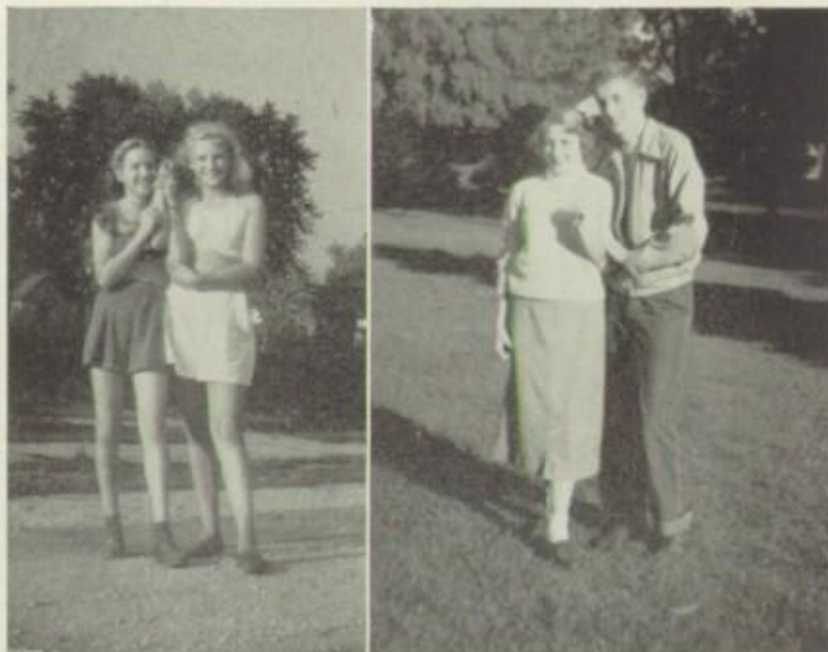

13-17

MONDAY—F.H.A. Valentine Party tonight. Don't forget the password or you can't get in.

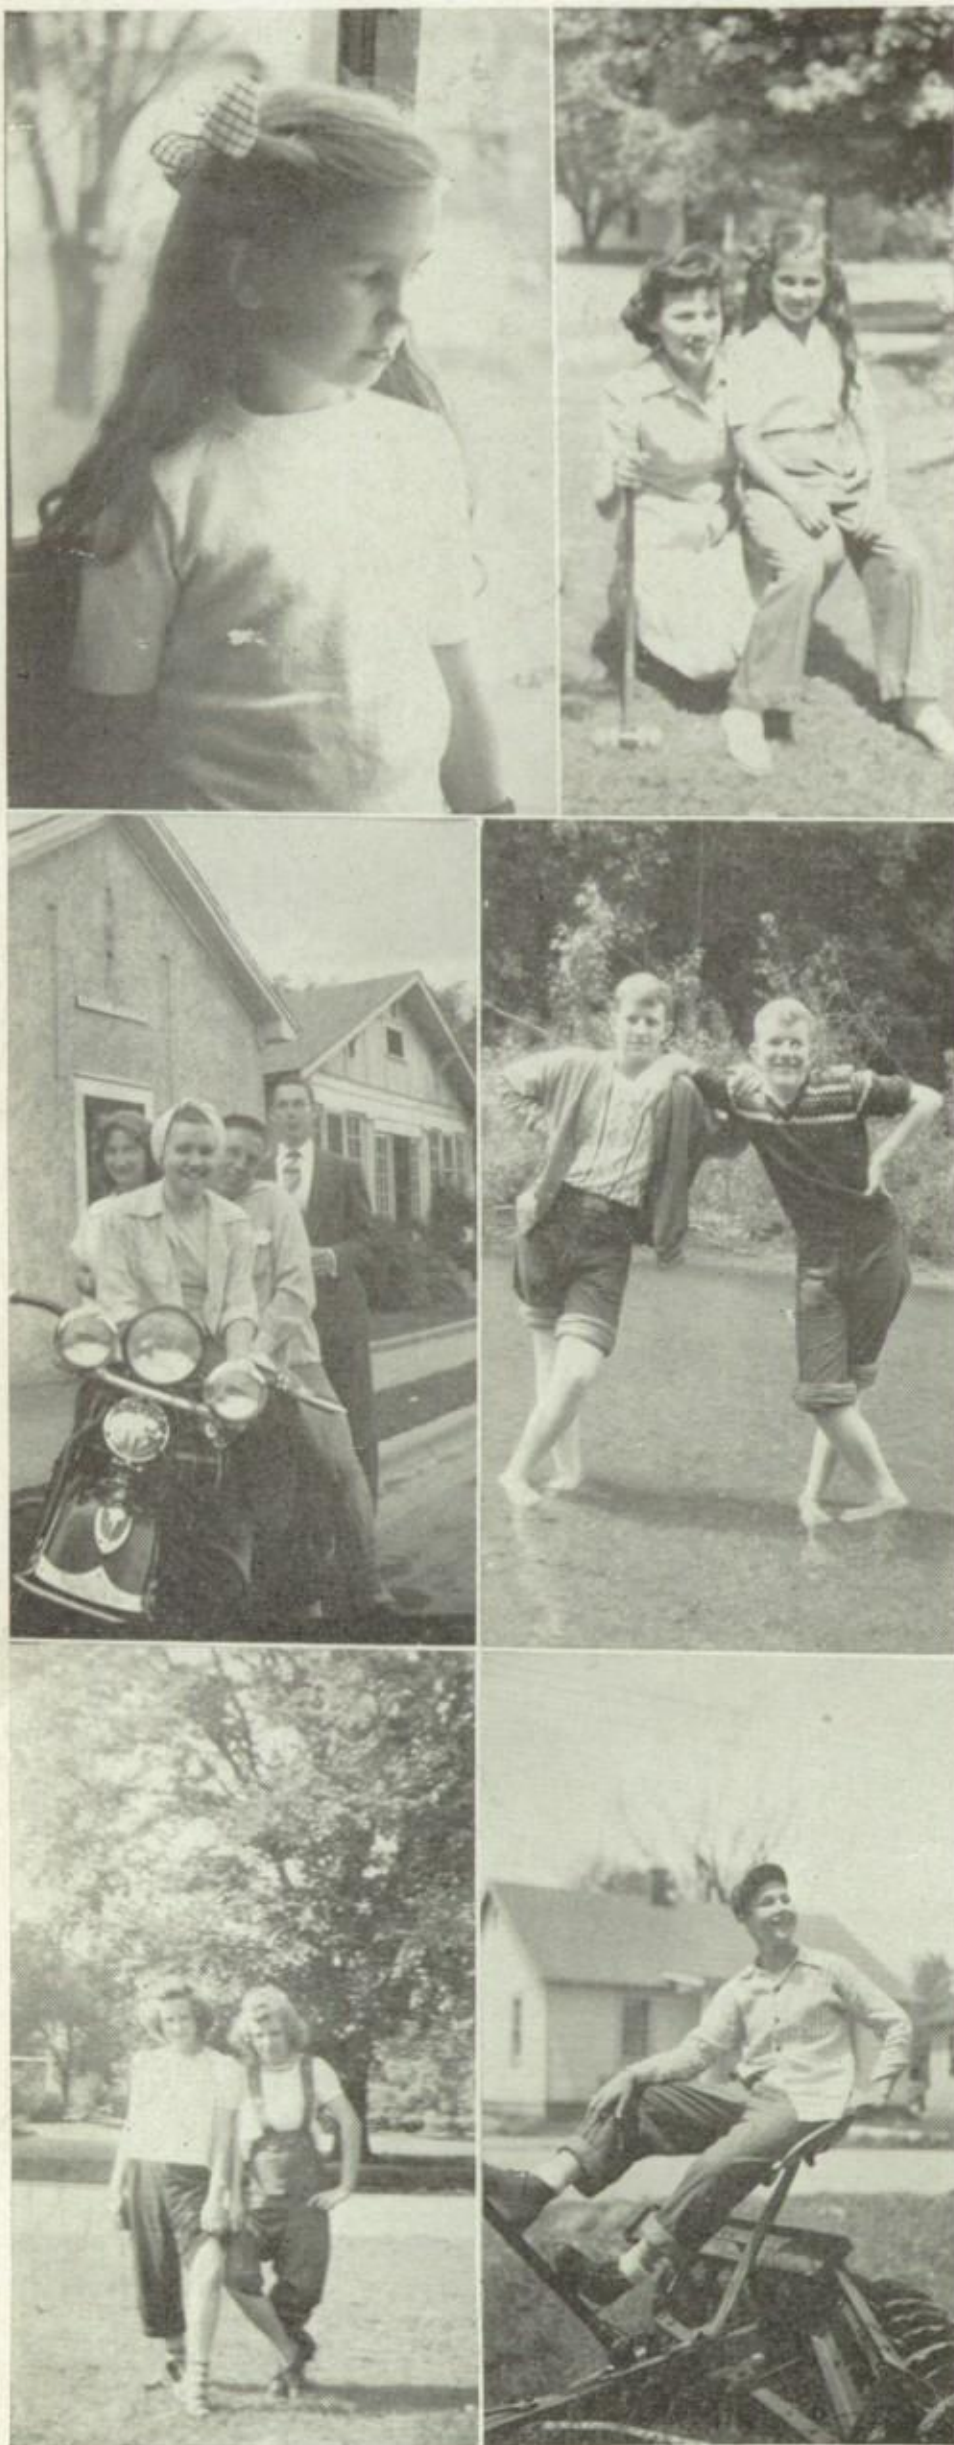

TUESDAY—Basketball game at Catlin tonight. Puff! Puff! I rushed right home to tell you we won 62-46.

WEDNESDAY—Say, Betty Murray, where did you get that corsage, hummm? I wish more boys were that considerate, don't you, girls?

FRIDAY—Basketball game with Chrisman here. It was scheduled there, but their new gym isn't finished. They are to be the hosts. Don't forget the basketball game with Perrysville tomorrow night and the dance afterwards.

## CALENDAR (Continued)

20-24

**MONDAY**—We beat Chrisman, Friday night 53-48, but lost to Perrysville, Saturday night, 48-41. Latin II will entertain Latin I with a belated Valentine's Party tonight.

**TUESDAY**—We play Hoopeston here tonight. I hope, I hope, I hope we win.

**WEDNESDAY**—The kings and queens were nominated today for the Senior Revue. Each nominee will collect his own votes and then the highest one in each class will run for the crown. There might be a collision. For the freshman queen: Mary Lou Winland, Carol Mollet, and Catherine Lewis; for king: Richard Gilkison, Frank Cornwell, and Leo Serd. For sophomore queen: Phyllis Morrow, Betty Lewis, Barbara Carrigan, and Delores Estes; for king: Doyne Lenhart, Fred Hart, and Bob Gudauskas. For junior queen: Marilyn Hughes, Bonnie Ward, and Lorene Daniel; for king: Jerry Edwards, Bearl Spicer, and Tom Richards. For senior queen: Shirley Wilson, Wanda Jonikas, and Phyllis Martin; for king: Frank Tucker, Leland Humrichous, and John Thompson. The fight is on!

**THURSDAY**—Certain *little* girls certainly are being nice to certain *big* boys. It couldn't be that they want to go to a dance, could it?

**FRIDAY**—Sadie Hawkins Dance — Girls! Here's your chance to get your man.

**SATURDAY**—District Speech Contest: Tom Frazier, 2nd place in oration, Class A schools; Violet Hiberly, 2nd place in verse reading, Class A schools.

## FEBRUARY 27—MARCH 3, 1950

**MONDAY**—Our beautiful, new, Old Gym was opened today with an overflowing crowd attending the premiere for lunches. I think the Student Council and the shop boys should receive a big hand for it. Clap, Clap, Clap!

**TUESDAY**—Tonight we play Catlin in the first night of the regional basketball games at the Danville Gym. It sure is cold outside, but everybody is going anyway.

**WEDNESDAY**—March fool, as Dean Rice said this morning. The seniors served hot lunches today and were they good! Seems as if lower classmen don't think it's a fair way to raise money for the king and queen. They're ahead, any way. Hurrah! Our boys really played the socks off Catlin last night. We get out at 3 o'clock for the teachers' meeting.

**THURSDAY**—We had a pep meeting at 11:30 which might be our last of the year, but let's hope not. The assistant coach of the Athletic Department, Mr. Schuler, gave our boys a nice build-up. Mr. Rook and the squad sat on the stage so that we could get a good look at the team that is not afraid of Danville. Let's show 'em. A bus will be taken. The freshmen sold candy, cake, and cocoa today.

**FRIDAY**—Boo! Hoo! Guess who won. Danville plays Oakwood tonight for the championship after they beat us 81-49. *Attention, Seniors.* One week until the Senior Revue. Surprising how time flies,

## CALENDAR (Continued)

isn't it? G.A.A. swimming party at Y.W. tonight. A little cold for swimming, no? No!

6-10

**MONDAY**—Seniors started rehearsals finally for their show. The auditorium will be closed every noon for the rest of the week! The tickets went on sale today at Snook's Cafe.

**TUESDAY**—First rehearsal for the show is tonight. Poor Lee McEvoy always has to argue about something. The juniors served pie, chile, and chocolate milk at noon. Made a nice (excuse me) killing.

**WEDNESDAY**—Seniors had a candy sale, although I think everyone's sweet tooth is satisfied by now. The Cry of the Wild Costume Committee, "Do you have any old clothes?"

**THURSDAY**—The sophomores served Bar-B-Qs, cake, chocolate milk, and potato salad. One good thing about the king and queen contest is that we're getting hot meals. We should have them more often. G.A.A. skating party at Danville tonight. Some seniors are awfully mad because of dress rehearsal for Variety Show being tonight.

**FRIDAY**—The seniors got out of fourth and fifth periods to have final practice. I hope everyone comes. They'll miss a good show if they don't. Shirley Wilson and Doyne Lenhart got king and queen.

13-17

**MONDAY**—I guess everyone liked the Senior Revue; at least I know a few are glad it's over with, although we, the seniors, had loads of fun getting ready for it. No more getting out of classes or not having your lessons for awhile, seniors. The F.F.A. gave the student body a skit of Parliamentary Procedure at 11:20 today. It was very interesting. Poor John Thompson didn't get to say anything.

**TUESDAY**—The seniors are working like crazy to get their term paper notes ready to hand in tomorrow. Woe is us! Juniors, take warning! Start making your term paper this year. F.F.A. banquet tonight, with two hundred expected. Mrs. Taylor and the Home Ec. girls are preparing it.

**WEDNESDAY**—Have you noticed how pale, tired, and sore most of the girls appear today? Is it a new disease? No, just Mrs. Craig limbering up and reducing down her P.E. classes. Ohhhh! My aching back! Today is the deadline for buying annuals, so hurry, hurry, hurry; step right up to the closest senior and buy one. The banquet was a success and the dishes got done.

**THURSDAY**—The Southern University Chorus from Carbondale came today. The Music Patron's Club served them a lunch, which they said was greatly appreciated. The student body ate in the gym so the chorus could have the lunch room. The very fine concert lasted an hour and a half and the school was dismissed at 3:30. Nice, huh?

**FRIDAY**—Sure and begora! 'Tis a fine day for the Irish and the wearing of the Green, even though it is cloudy and damp. Imagine, some people forgot it was St. Pat's day. A student dance will be held tonight, equipped with a radio to hear the returns of the semi-final state basketball tourney. Our coaches and the team went yesterday and today.

## CALENDAR (Continued)

### MARCH

20-24

**MONDAY**—Mr. and Mrs. Schuler have gone to St. Louis, so Mr. Norman from Danville is directing the band. Poor Miss Rees certainly has a big sixth hour library with all the chorus members. Everyone at the dance listened to the Danville-Bradley game. Danville got second in the state. Not bad!

**TUESDAY**—Throw away your sweaters and get out your cottons! Spring officially began yesterday at 11:36 P.M., Eastern Standard Time. On second thought, keep your sweaters and rubbers, since it is wet and chilly. (Note from yesterday that I forgot.) We are absent another couple, known to the school body as C. H. and R. T. Tsk! See you in a week.

**WEDNESDAY**—Our Revue King, Doyne Lenhart, had some bad luck with his car last night on the road to Indianola with Dixie Neubert. Too bad! The fifth and sixth periods were changed around today so that chorus could be given. (Miss Rees—"Sighhh!")

**THURSDAY**—It's a beautiful day! They always say, "In spring, a young man's (or woman's) fancy turns to thoughts of love." Congratulations, Von Del.

**FRIDAY**—Mr. and Mrs. Schuler are back and look like the trip did them good. The District Solo Contest is tomorrow at Urbana. A brass sextet, a Clarinet quartet, the twirling ensemble, a clarinet solo by Bill Smith, three vocal soloists, Lois Whitaker, Bob Tucker, Jewel Sheets, and a piano solo, Don Richie. Good luck!

27-31

**MONDAY**—It's been raining cats and dogs all night, but Saturday and Sunday were lovely. The contestants at the contest did pretty well with first in every division. Mr. Schuler gave the awards in the assembly; the brass sextet; Don Richie, piano; the Twirlers; and Jewel Sheets, got first prize. Bill Smith, Marilyn Hughes, and Lois Whitaker got second prize. The G.A.A. served hot lunches today, I think it would be a good idea to have them every day. (Hint, Hint!)

**TUESDAY**—It's rather hot today at school and I don't mean the weather. Some of the teachers seem to be huffed up about an election. Let's hope the situation gets cleared up. I guess winter isn't over yet, since it's snowing. Brrrr!

**WEDNESDAY**—The weather is cleared up and fine today. Everything is rather quiet today except the chorus sixth period practicing for contest Saturday in Champaign. The band goes too.

**THURSDAY**—I forgot to tell you that the All-School Play has started rehearsals. It's called "Your Town and Mine." I hear it has a surprise in it. The Basketball Banquet is this evening in the Home Ec. Room.

**FRIDAY**—School assembly was at three for the band and chorus program. Our first track meet is this evening, here with Cayuga. We'll Mow 'em down, I bet'cha. Mrs. Humrichous gave a six weeks test in American History, and (that's all brother.)

## CALENDAR (Continued)

### APRIL

3-7

MONDAY—The chorus and band both got first division in the district contest at Champaign Saturday. They go to the state contest at the U. of I. the 29th. Congrats, brats. (Oh, what I said, but it rhymed.)

TUESDAY—Mrs. Taylor and Mrs. Humrichous are absent today. Teachers are lucky; no make-up work. They say "April Showers bring May flowers," so we should have plenty next month. They also say, "It never rains but what it pours." Juniors and seniors, Miss Rees and Mr. Schuler are, shall we say, *slightly* disagreeing about the date for the Prom? I guess they won't have the track meet with Bismarck. They might get stuck in the mud.

Now, we must go to press, so this is all of the Calendar, I guess. Will the date for the Prom be settled? Will the chorus and band go to state? Don't ask me, I'm no prophet.

## JUNIOR PLAY

### "MURDER AT RANDOM"

The Junior Class presented its annual play, a three act mystery-comedy, on November 18. The play provided laughs, thrills and suspense.

Harold, the average American boy, was heroic in saving the lives of two pretty girls who were held captive by the "Madden Gang." The sheriff, who furnished comedy, added further to the complications and Miss Schultz, the dead woman, came back to life.

The play ended with the "Madden Gang" being impersonated by Broadway actors and Harold, the hero of the play, getting the girl of his dreams.

The cast consisted of:

Harold Dinsmore.....	Don Dalide

## Cheerleaders

Courage is a virtue few are born with, but our fighting sportsmen must have had some or the football and basketball seasons would not have been so good. Alone the boys could not have won, for it was through the efforts of our smiling and faithful cheerleaders who brought them the backing of the school and public. These cheerleaders are pictured below in their snappy uniforms and smiling faces.

Marianne Smith, Bernice Kocanda, and Rosemary Devore.

*Kneeling*—Colletta Murray, Delores Estes, Carol Henschen.  
*Standing*—Majorette, Marilyn Hughes.

## Twirlers

During the football and basketball season the twirlers were also always on the job. They made many beautiful appearances in which they demonstrated their skills with the lighted batons.

## ??? GOSSIP ???

Barbara B. and Shirley W. came to school fuming. Maybe Mary Jane M. and Vicky L. can inform anyone who wants to know what happened.

Adonna H. has been wearing a new shade of lipstick—Hmmm! Gene K. has been wearing the same shade.

Marilyn, our colors are *Purple* and *White* not orange and black!!! That goes for you too M. M.!

Attention B. T. and C. H. It's alright to be lovey-dovey, but lets pick the right places.

Shock that rocked old Alma Mater—Georgetown girls yelling for Westville at Armistice game. No sense of loyalty??

I hear that Rosemary Devore is having "love trouble" with her Westville boy friend. Why don't you use new tactics?

Are Johnny T. and Lois G. washed up for good? I predict they will be together before the year is up.

After three years of dating off and on Bern and Dean are going steady. They should have gotten together sooner.

A few weeks ago Frank T. was squiring Jewel around. Now Leland H. has stepped into the picture. What about the Westville boy too? I believe Jewel and Rosemary have had something in common at Westville.

Buzzzzzz. I hear that Billy S. gave E. S. a sparkler. When's the weddin' Bill?

Lee is looking for two new prospects since B. Y. and B. R. have found two post-graduates, L. C. and B. B.

Our Christmas Dance went over with a bang! I wonder if the mistletoe had anything to do with it. Mrs. Humrichous did all right anyway. Even some of the people going steady had lots of fun! Hmmmmmmmm!!

Lots of conceited girls and boys, but the two I'm thinking of are from the junior class. A couple who go together off and on.

Funny incident—Bernice K. was asked to leave the dance when banging on the door. (Too bad George didn't see the 4 others banging with her.) Fair justice I always say?

F. T. took W. M. and J. T. took L. G. home after the Friday Dance. Glad to see J and L together again.

Is Lois W. still going with K. P? No one seems to know.

Big romance between Violet H. and Lawrence R. Everything happens these days.

Jewel seems to be seeing P. A. quite regularly now. Are you going steady yet?

I heard that in 3rd hour History class Dominic B. predicted marriage for L. W. when school is out. Is he right Jo?

Roy B. and Mary Lou W. are still going strong.

I see Lowell M. talking (or flirting) with Pete M. every 4th hour in study hall.

Jim J. had two cute girls sitting at his table, Pat C. and Connie H. Which one is going to win out.

Everybody back from Xmas and New Year's vacation. They all seemed sober except for a few. I guess there were some real headaches.

Dean and Bernice were mad at each other all week during exams. I hear her sister played cupid. Everythings O.K. now.

B. S. and J. G. are going steady now. It's about time you settled down Bearl.

My prediction came true. Johnny and Lois are back together again.

I hear Sal M. is going out with a post alumni. His initials are G. W.

I was surprised to hear that so many seniors are on their way to the altar when school ends. B. B., S. W., V. D. W., N. M., R. G., and B. S.

Von Del has a good start on the girls. She is flashing a big sparkler in everyone's face. Sure is pretty!

Sharron W. and Joe B. going steady. Who ever would have suspected it???

Say Bonnie, what time was it you got in the other night? Or should we say morning??? Boing! How long are you in the dog house for?

Dukes and her love affairs. She has so many of them that it is rather hard to keep track. Which one is it now?

Phyllis M. and Jerry S. seems to be off and on. Phyllis says the other girl has had him three times and she has had him only two so Jerry had better go back to P. M.

Flash! A new romance has just been brought to my attention, Mabel P. and Marcus T.

R. B. quits M. L. W. during the day and takes P. C. to the dance that night. How long will this last???

Men beware!! Betty Sleva still on the loose and looking for a man.

## Our Captains and Coaches

Our book would not be complete if it did not picture our captains and coaches.

Ron Grider, our football captain, had a 5-2 win-loss record, our losses going to Hoopston and Westville.

Tom Maudlin brought our cagers through a good basketball season and although we didn't make the state we're extremely proud of them.

Jim Jones' track team hasn't been able to show their stuff yet, but we know they'll make a bang-up showing.

So here's our praises for our coaches who make it possible for the captains to lead their team through all their victories.

Ronald Grider, Football Captain  
Jim Jones, Track Captain  
Thomas Maudlin, Basketball Captain

Bill Rook, Basketball Coach and Assistant Football Coach.

Rick Parke, Assistant Basketball and Track Coach.

Ike Burch, Football Coach, Track Coach, and Athletic Director.

## Football Lettermen

### *Inset*

RONALD GRIDER—Captain, Senior, Halfback, 3rd letter.

"Ron" did the punting and set kicking and a great share of the running. He did them all well. A good captain and steady, dependable athlete who will be missed very much next year.

### *Left*

MARCUS THOMPSON—Senior, Guard, 2nd letter.

The outstanding lineman on the team, broke his wrist in the Linton game and was unable to play the last two games. A good defensive guard and an effective blocker, won the sportsmanship trophy; a tribute to his attitude.

### *Right*

JACK CHANTOS—Junior, Tackle, 1st letter.

A boy who had a rather unpleasant season as he was shifted from guard, to end, to tackle, which doesn't give any boy too good a chance to develop. Jack is serious-minded and although lacking in speed he did a fair job.

### *Left*

GEORGE CORNWELL—Junior, Center, 1st letter.

George was an accurate snapper back, and did a very capable job calling defensive signals. He backed up the line on defense with Bodart and it is our belief that this pair of linebackers stacked up with the best.

### *Right*

LELAND HUMRICHOU—Senior, Fullback, 2nd letter.

"Hammer" developed into a dependable blocker and a good tackling back. He could punt very well and carried the ball quite effectively when called upon. A good pass defense man.

### *Left*

JOHN THOMPSON—Senior, End, 2nd letter.

"Johnny" was an aggressive end who could receive passes well and tackle decisively on defense. He loved to play football and was seldom fooled on defense.

### *Right*

JOE BODART—Captain-elect, Halfback, 2nd letter.

A driving tackler who plays every minute at his top speed. If he learns to avoid tacklers instead of running over them, he should be a good scoring back, the fastest boy on the squad, and a serious trainer.

### *Left*

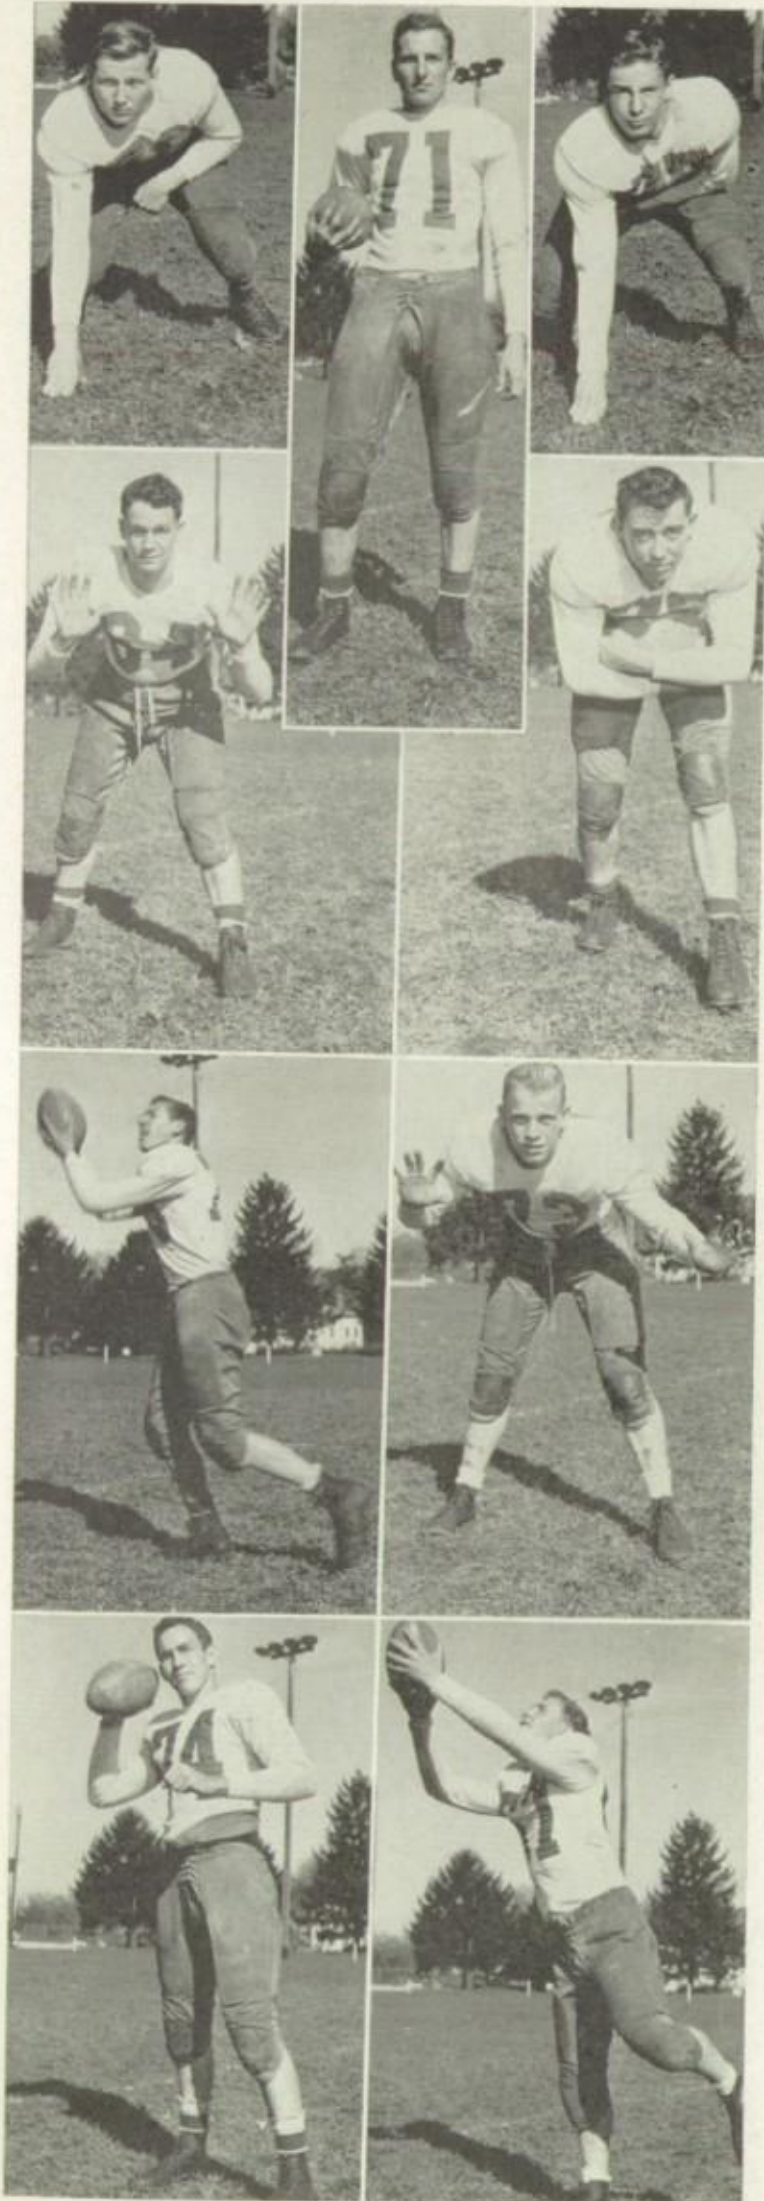

CHARLES HOLMES—Junior, Halfback, 2nd letter.

"Chuck" did the passing and a good share of the running. A good runner and fairly sure tackler on defense, he has one more year to go and we believe that he can be one of the better backs in the county if he so desires. He called offensive signals quite well.

### *Right*

TOM GRIDER—Sophomore, End, 1st letter.

"Tommy" looked good for a sophomore boy. If he were inclined to be really serious in his training he could be a vastly improved ball player. He has courage and average speed.

## Football Lettermen

*Left*

**JIMMY JONES**—Senior, Halfback, 1st letter.

"Jim" was the utility man of the backfield and mighty handy to have as he knew the signals at all the back-field positions. A quick runner and good training boy. 1950 Track Captain.

*Right*

**BEARL SPICER**, Junior, Tackle, 1st letter.

Bearl had difficulty getting into the spirit of things. We feel that this boy has greater possibilities as a tackle than he has shown and that serious training and a real effort on his part will make this big fellow a tackle to be feared by all opponents.

*Left*

**LUTHER MORRIS**—Senior, Guard, 1st letter.

A steady player who never looked flashy but never looked too bad. He lacked speed to pull on offense, but did quite well for his first year.

*Right*

**JACK STEPHENSON**—Senior, End, 1st letter.

"Jack" waited until his senior year to try out for football. A good solid tackler and fair blocker.

*Inset*

**LAWERENCE LAWLESS**—Junior, Guard, 1st letter.

"Skid" had bad luck in getting a severe knee injury in the Paris game and was lost for the rest of the season. Think he might have been an aggressive defensive ball player had he not been injured.

*Left*

**NORMAN GERARD**—Junior, Tackle, 1st letter.

"Norm" lacked speed and mobility. He has plenty of courage, but how can you tackle if you can't catch the ball carrier? His lack of speed and agility handicapped his blocking more than his defensive play. He needs to lose 25 pounds and speed up before next fall.

*Right*

**WENDELL PERKINS**—Junior, Guard, 1st letter.

"Perk" just began to develop during the latter part of the season. He has one year to go and might be a good guard if he works hard on his blocking.

*Left*

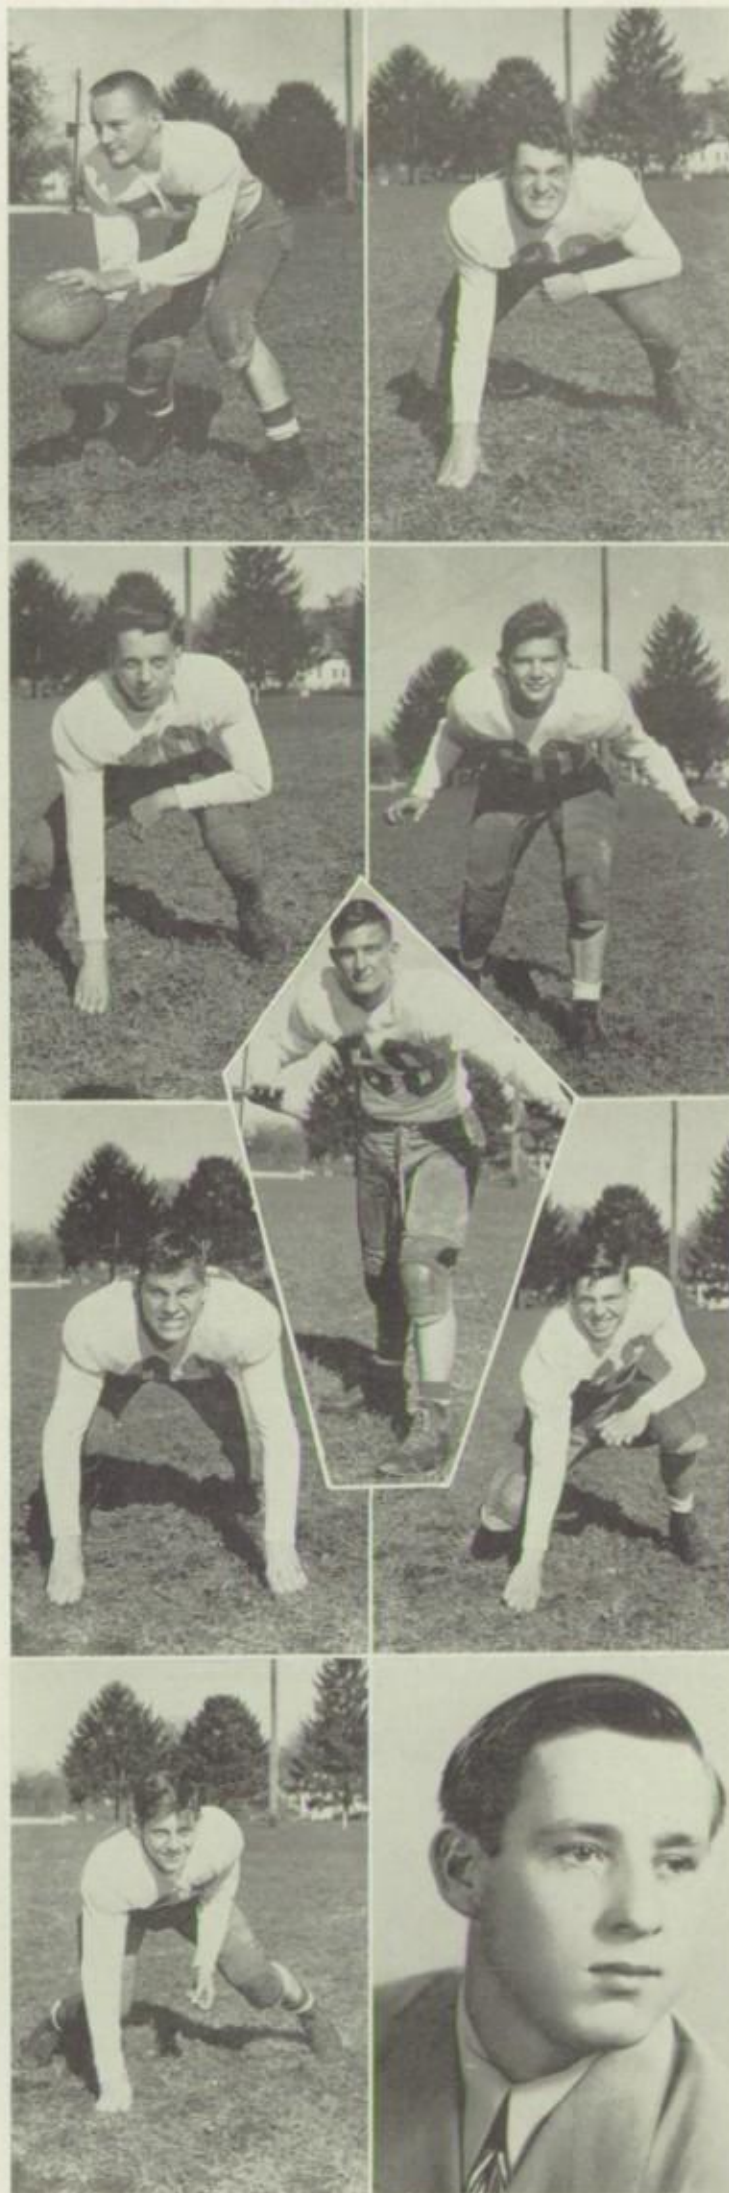

**JERRY EDWARDS**—Junior, Guard, 1st letter.

"Jerry" was the smallest man in the lineup. He was a pretty fair tackler, but he lacked speed on offense. There is plenty of courage in this little lad.

*Right*

**BOB KERN**—Senior, Guard, 1st letter.

"Bobby" had the misfortune to break his leg, at the start of the season, while playing sand lot ball and was greatly handicapped, but he played well after getting back into the lineup. A good tackler on defense and fair blocker.

## 1949 FOOTBALL SEASON

### BUFFALOES STAMPEDE TIGERS 18-0

The Buffaloes opened the 1949 grid season by whitewashing the Paris Tigers on Paris's gridiron, 18-0. The purple clad Buffaloes scored all three of their touchdowns in the second quarter. The defensive playing of Cornwell, John Thompson, and Marcus Thompson was outstanding for Georgetown. Joe Bodart was the leading ground gainer for the Buffaloes.

### BUFFALOES 7-URBANA 6

The Buffaloes opened the 1949 home season by defeating a strong Urbana Tiger Eleven. An eighty-eight yard run by Joe Bodart and an extra point kick by Captain "Ron" Grider spelled victory for the Buffaloes.

### BUFFALOES TROUNCE CHARLESTON 21-7

The 1949 Buffaloes remained undefeated as they ran around and through an outclassed Charleston eleven. Quarterback Charles Holmes raced sixty-five yards to pay dirt early in the initial quarter and Georgetown was ahead to stay as "Ron" Grider kicked the extra point. Grider and Holmes starred for the Buffaloes offensively while Cornwell and Bodart did equally well on defense.

### BUFFALOES OUTCLASS LAWRENCEVILLE 13-0

The Buffaloes scored on the fifth play after the opening kickoff and then added another in the first quarter to whip a favored Lawrenceville, 13-0. Bodart ran 70 yards to the Lawrenceville 10 on the first play of the game. Three plays lost two yards, but Grider scored from the 12 on an off-tackle play. Grider, Holmes,

and Bodart stood out offensively while John Thompson and Humrichous were outstanding on the defensive.

### BUFFALOES STOP LINTON 21-0

The Georgetown Buffaloes remained undefeated as they won their fifth game in a row before a large homecoming crowd, 21-0. Captain Grider led the scoring parade with 19 points; 3 touchdowns and an extra point. Grider did most of the ball carrying for the Buffaloes while Joe Bodart added a couple of long gains of 55 and 33 yards. Bodart also stood out on defense, playing a linebacker position.

### BUFFALOES UPSET BY HOOPESTON 7-0

Since all good things must come to an end, the Hoopeston Cornjerkers took it upon themselves to end the Buffaloes good, undefeated record. The Georgetown team had previously been undefeated in five ball games while Hoopeston had won only one game. Injuries, fumbles, bad weather, and a hard charging, determined Hoopeston line spelled defeat for Georgetown. Georgetown's only scoring threat came in the final minutes of play, but was thwarted when Humrichous fumbled on the John Greer 10 yard line. It was the first time a Hoopeston football team had beaten Georgetown since 1931.

### TIGERS CLAW BUFFALOES 7-6

The Westville Tigers outfought and outplayed the local gridders and upset their ancient foes, 7-6. The teams tackled and blocked hard and thus held each other at bay. Georgetown led at the half, 6-0 but this meant nothing to the Tigers as the final score shows. Captain "Ron" Grider was again outstanding on the offense with Joe Bodart and George Cornwell the defensive stalwarts. Georgetown finished the season with five wins and two losses.

## Basketball Squad

*First Row*—Richard Parke, Bill Rook, Carl Cunningham, Dwight Galyen, Gene Pribble, Charles Patterson, Billy Felgenhauer, Jerry Gerard, James Crook, Marcus Thompson.

*Fourth Row*—Joe Bodart, Tom Maudlin, Ronald Grider, John Thompson, Norman Gerard, Leland Humrichous, Bill Austin, Don Dalide.

### 1949-1950 Basketball Season

Georgetown finished the season in 3rd place in the Vermilion County Conference, which consists of 18 schools, with a record of 15 wins and 9 losses.

This team also set a new Georgetown floor record of 105 points and also a new county record.

The reserves won 16 games and lost 7.

## Basketball Lettermen

**TOM MAUDLIN**—Senior, Captain, 3rd letter, Guard.

Tom is one of the best captains ever to be worked with in Georgetown. His training, manners, good sportsmanship, and hard work kept the rest of the team striving to equal him in these respects. He won the Free Throw Trophy by making 58 out of 96 free throws for a commendable .604%. He was a good captain of a good team. A gentleman always. We will certainly miss Tom and his leadership.

**BILL AUSTIN**—Freshman, 1st letter, Center.

The first boy in a long time to make the varsity as a freshman. He has much natural ability, especially a very good touch on the ball. His work in track should help him speed up some and as soon as he becomes more aggressive, he will be hard to stop. Bill had his best night against Westville in our second game with them, in which he scored 17 points.

**LELAND HUMRICHIOUS**—Senior, 2nd letter, Forward.

Leland was our No. 1 rebounder and second best scorer. No one will ever forget the mental picture of him "shooting" up in the air with his body after the rebounds. He had a very nice pivot shot, and a push shot from the side of the floor. Leland's best night was against Bismarck. He received honorable mention on the all-county team. Leland's rebounding will be missed very much.

**JOHN THOMPSON**—Senior, 2nd letter, Forward.

John was the team's best scorer. He set a new individual record in scoring 33 points against Brocton at Georgetown. He had a specialty of stealing the ball away from the opposing guard. He certainly made the guard's face red when he accomplished this several times in succession. On defense, John was a "ball hawk" playing his heart out to obtain the ball from the opponents. He was placed on one of the all-county teams. We will miss his deadly shooting and defensive scrap.

**RONALD GRIDER**—Senior, 3rd letter, Guard.

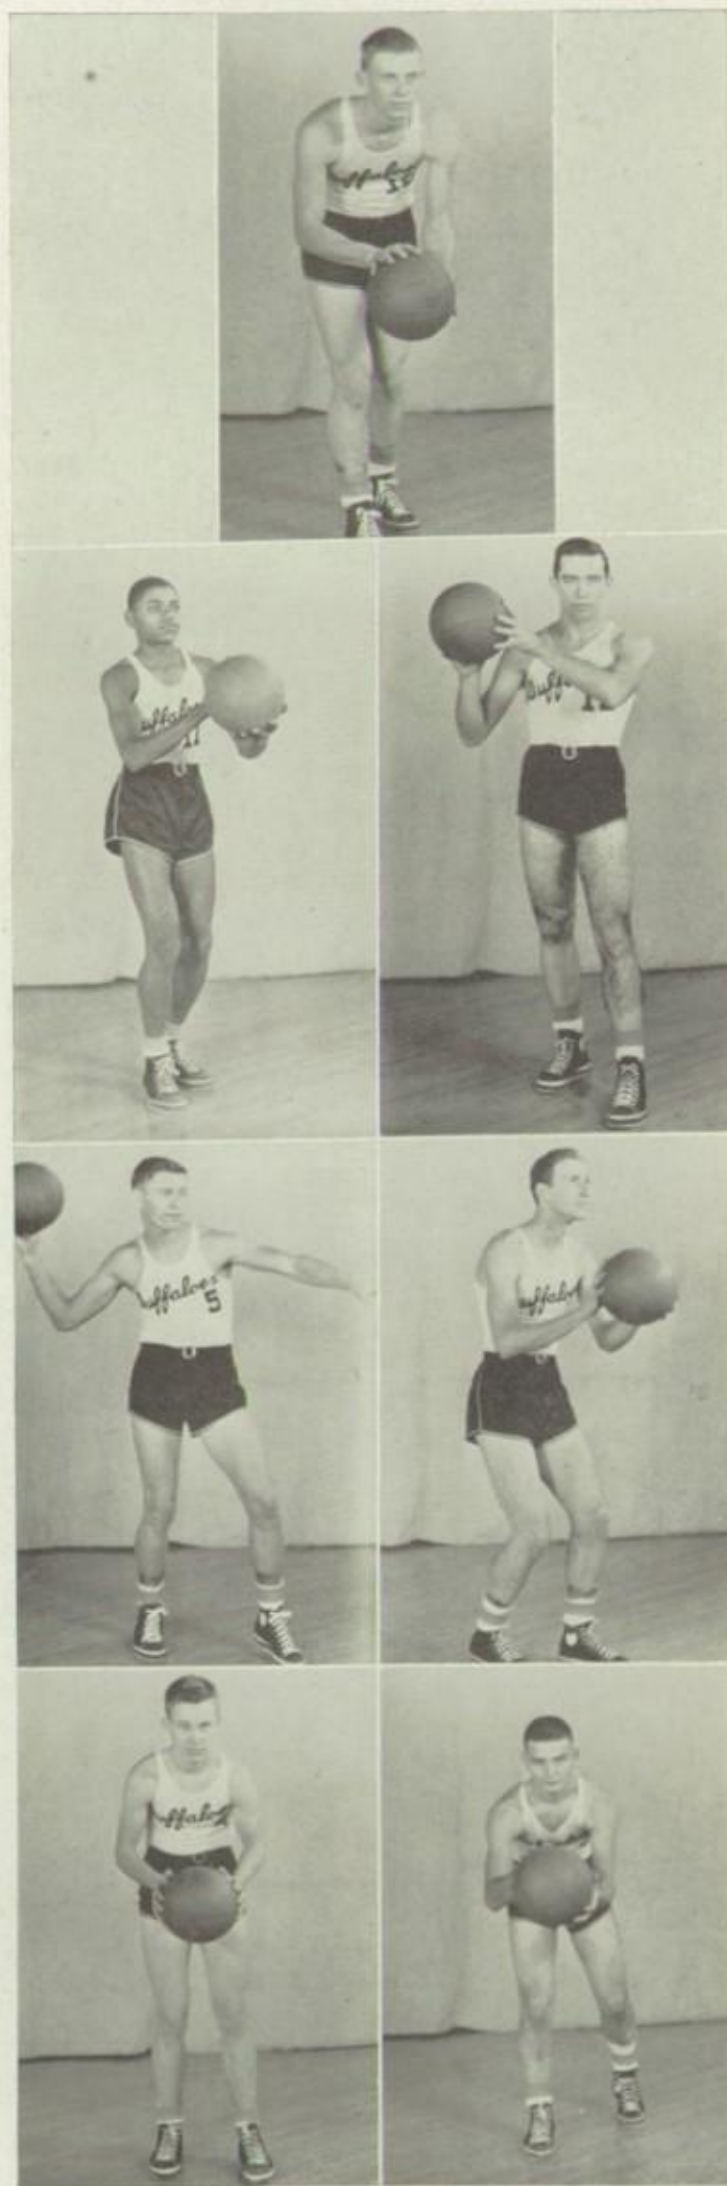

Ron played the other guard along with Tom. He had his best night against Sidell, hitting his "longs" consistently from all over the floor. A fine boy to work with. Always evened tempered and, win or lose, he always made the best of things. A good rebounder. He received an honorable mention on the all-county team. Ronald's a grand athlete.

**DON DALIDE**—Junior, 1st letter, Guard.

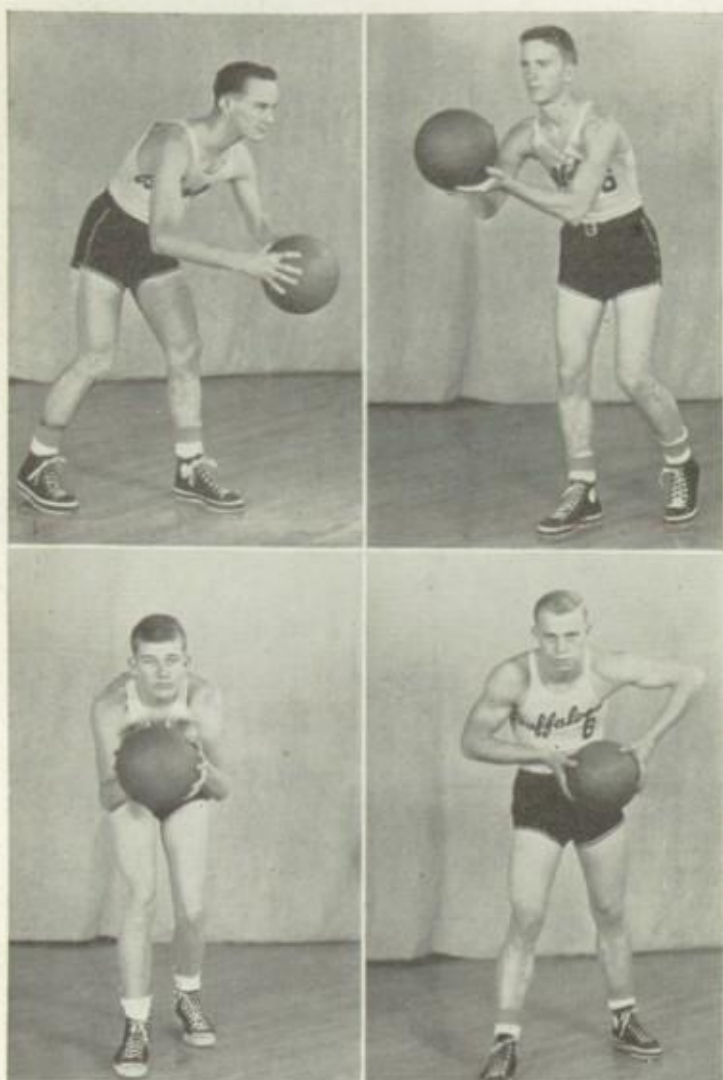

A left "hander" with a very accurate touch on the ball. Don's determination and hard work earned him a starting position on the varsity in the latter part of the season. Don can hit well out in front, and is hard to stop from driving in. If he will work on his change of pace, he should be one of the leading scorers in the county next year.

**DOMINIC BILDILLI**—Senior, 2nd letter, Guard.

A very good ball handler. Dominic was the only player we had who could "thread the net" in the Danville game. He hit longs with deadly accuracy in this game. He was a very good team man and feeder, often pulling us ahead in a close game. Although handicapped by lack of height, he made up for this with "scrap," for he loves basketball.

**JIM JONES**—Senior, 1st letter, Guard.

Jim was noted for his long shots at guard. Whenever Jim hit a "hot streak" he could hit these longs from all over the floor. He was a hard working boy and very nice to work with. His determination should enable him to succeed in life.

**FRANK TUCKER**—Senior, 1st letter, Forward.

A fast, scrappy ball player. His speed enabled him to lead a fast break down the floor in good shape. A very good competitive spirit, but was handicapped by having missed one season of play. He is one of the most accurate free throw shooters on the team.

**BOB GUDAUSKAS**—Sophomore, 1st letter, Forward.

Bob has advanced rapidly. He has a very nice touch on the ball enabling him to score consistently. If he gets out for track and improves his speed for a hard drive on offense and improves his defense, he should be one of our best scorers next year.

**JOE BODART**—Junior, 1st letter, Center.

The most improved ball player on the club, considering it was his first year out for basketball. Joe is a natural in any sport with his speed and physical endowments. Along with this Joe learns quickly and is very seriously trying to improve at all times. With this attitude and hard work, Joe should be one of the best ball players in the county next year.

### First Team Squad

*Kneeling*—Leland Humrichous, Don Dalide, Joe Bodart, Bob Gudauskas, Frank Tucker.

*Standing*—Richard Parke, Bill Rook, Bill Austin, Ronald Grider, Tom Maudlin, Jim Jones, Dominic Bildilli.

## Track 1949

The 1949 Georgetown Buffalo track team was the best in the school's history. They won the County meet with a score of 56 points which is a meet team record. They set two new county records in individual events and tied another as they took seven firsts and six seconds, one third place, and one fourth in the county meet in which Oakwood finished second and Ridgefarm won the Class B trophy with eleven points. One hundred and fifty boys participated in the meet.

Captain George Spang set a new county record in the 440 yard run. His record time was 53.0 seconds, breaking the 53.3 second record set by Nease of Westville in 1930.

The varsity relay team composed of Joe Bodart, George Spang, Virgil Biava, and Bill Rutkowski broke Westville's record of 1 minute, 36.5 seconds, set in 1936. The Buffalo quartet ran the 880 in 1 minute, 36.2 seconds.

Carl Dawson tied the high hurdle record held by Hipple of Catlin set in 1942. His time was 15.8 seconds.

Georgetown lost the low hurdle record of 24.2 held jointly by Don and Dale Smith. Myers of Oakwood clipped off the time to 23.3 seconds for the 200 yard low hurdles.

Georgetown now holds records in the mile, high hurdles, pole vault, 440 yard, and both relays; varsity and freshmen, 880 yard.

The '49 Buffalo track squad lost one dual meet to Urbana and won six triangular and three dual meets besides the County Championship.

## 1950 - PROPHECY - 1965

Glancing through the Georgetown News of 1965, these notions have caught my eye. I am glad to see that so many of the people from the class of 1950 have gained such prominence in life.

Robert Tucker, the well known twirling judge, is now spending his vacation at the Miller's Chicken Ranch where another celebrity, Wanda Jonikas, the toe dancer, is also resting after her previous Broadway hit.

Don't forget—turn your dial to NBC this Saturday evening and hear Leland Humrichous pinch-hitting for Vaughn Monroe.

Looking into one of the Chicago store windows, we see Barbara McKenzie trying on some of the Dawson fashions. Beautiful, aren't they?

Mrs. Kenny Pearson, the former Miss Lois Whitaker, has just received the honor of being the head model for the Patricia Stevens Modeling School.

My lunch hour is up and I must go back to work. I hope you have enjoyed hearing what the Class of 1950 is now doing.
